

## CASE STUDY

# PRODAR

Underground Mapping

Site: **Nationwide**  
Survey: **Utility Mapping Training**  
Date: **Ongoing**

Prodar continue to provide support to the National Grid HSG47 Training programme. We have delivered over 50nr sessions on the subject of utility mapping and GPR survey work on substations working alongside the main course delivery team at DCR Training Ltd. The course is simply the best of its type and has been successfully run by Dave Reade and Phil Wells for five years.
